An item, which is said to have emanated from the Carson Weekly, is going the rounds of the State press. It is to the effect that the V. & T. will shortly run its trains three times a week, instead of twice a day as at present,

This seems unreasonable. One train a day would be amply justified by the business of the company.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough. Having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used.
